Claudia

Dear Claudia,

I have truly enjoyed going to school with you these years. Now as we come to the close of this, our first term of school, look back with happiness and not with sadness. Don't think of this as the ending, rather, think of it as the beginning of new life and experiences. I'm glad that we could go to school and graduate together. Good bye and good luck.

Always a friend

Foreword

We, the Senior Class of Morrison High School and its Sponsors, have tried to prepare for you this annual, which, we hope, will bring back pleasant memories in years to come.

The purpose of this annual is direct and simple: to help recall, by pictures, the highlights of the year's activities and achievements.

As we prepare to leave Morrison High School, we go with only one thought in mind: to leave with you a reminder of our happy days at M. H. S.

Claudia,

I hope that after you finish school you will be able to obtain everything in life you want. I have enjoyed attending school with you for the past years. Look back at these years with happiness, not sadness. Best of luck to a very understanding girl. You have a very good shoulder to lean on which I bet Lionel will use after. Love, Jaye

Dedication

Because you deny yourself so that we may have that which
you did not have;
Because you desire for us the higher and finer things of
life;
Because you understand when all our world goes wrong;
Because you love us in spite of our shortcomings;
And, because we want to express our love and apprecia-
tion, we, the seniors of Morrison High School, dedicate
this volume of our annual to you - Our Parents.

Principal's Message

Our deepest appreciation goes to the Annual Staff of the Eagle. They have assembled this information so that students may look back from time to time and remember happy occasions while in school. As you turn the pages of this book, we hope many enjoyable memories shall be recalled.

Our hope is that we may influence young people to become better citizens in society. If we can play a small part in developing boys and girls to become leaders in their community, our reward will be of great value. No compensation is more satisfying than that which comes from the association with students such as we have in this school. Our sincere belief is that many students from Morrison School will become our leaders and teachers of tomorrow.

Senior History

In the autumn of 1953 we entered high school with thirty-six students in our class. Jerry Cathey was elected President; Lynn Bouldin, vice president; Barbara Tenpenny, secretary; Bob Deberry, treasurer; Elizabeth Craven, reporter; and Bill Simons, sergeant-at-arms, with Mr. Howard as our sponsor. Later in that year Dorcas Gunter and Wayne Talbert were crowned king and queen of our school.

In the beginning of our sophomore year, we had thirty-five students enrolled in our class.

Mr. Foster was a new member of the faculty and we selected him as our sponsor.

Wilma Robinette, Elizabeth Craven, Shirley Ware, Dick Duke, Bob DeBerry, and James Medley played basketball.

The cheerleaders from our class were Gail Hall, Jean Floyd, Barbara Tenpenny and Claudia Swift Higdon.

We returned the next term as juniors. We selected Mr. Foster as our sponsor for the second time.

That year we put on a Negro Minstrel called "Cotton Town Carnival."

We also had a very nice banquet for the seniors at the Hillcrest Motel in McMinnville.

In our junior year we had a good basketball squad, both boys and girls.

We won several of the activities at the fair that year.

In 1956, we became seniors. Our class officers are as follows: Dorcas Gunter, president; Dick Duke, vice president; Jimmy Turner, secretary; Shirley Ware, Treasurer; Robert Elder, sergeant-at-arms; and Geneva Vickers, reporter. Mrs. Jarrell, Mr. Foster and Mr. Womack are our sponsors.

Wilma Robinette was a captain of the basketball squad and the only senior girl playing.

Dick Duke, Don Hobbs, Bob Deberry, and Jerry Cathey played basketball with Don Hobbs and Dick Duke as captains.

We again won several of the activities at the fair. Our girls won second place in volleyball. Our boys took first place in the track team with Lynn Bouldin, Dick Duke, and Jimmy Turner running. Jimmy and Dick also took first and second place in the 100-yard dash.

We have two very good basketball teams which we hope are able to take the tournament this year.

Our senior cheerleaders this year are as follows: Dorcas Gunter, Claudia Higdon, Barbara Tenpenny, and Faye Rogers.

We are looking forward to our banquet which the junior class will give us. We also have a class play and our class trip coming up. We will go to Daytona Beach, Florida.

We hope that our class will long be remembered by the faculty and fellow students.

Coach
Fleming

To all the people who helped to make this year successful athletically: the Pep Club, "M" Club, Cheerleaders, Faculty, Student Body, and, most of all, our basketball teams, we want to thank you very much.

We are indeed proud of our basketball teams, who tried very, very hard to obtain greatness on the hardwood floor. We feel confident that if they try as hard in life they will be successful. Many players will graduate this year, but it goes without saying that this has been one of the finest groups of boys and girls that I have ever coached. We are proud not only of our basketball teams, but of our entire physical education program, which adds much to making school more enjoyable. We owe much to Mr. Foster for his interest and hard work in making this program one of the best.

Girls' Basketball '56-'57

The Morrison girls' basketball squad began a new season with six freshmen, five sophomores, and Wilma Robinette our only senior.

The girls began the new basketball year with a team which we think was good; but as the season went along, they improved by hard practice and playing good teams. We were indeed proud of their fight and determination. They fought hard and never gave up but played well until the final whistle.

This year's team was good, but we are looking forward to an even better team next year, with only one player leaving.

Coach Freeman worked very hard and spent much of his time with our team. We are indeed grateful.

We would like to thank Beverly Sanders for the wonderful job she has done as manager.

Boys' Basketball '56-'57

When the opening game rolled around, our team was composed of three seniors; Hobbs, DeBerry and Duke; two juniors, Youngblood and Dearman. This starting team had three men over six feet, and the other two players were only five-ten. It matched its size with a lot of spirit and determination.

We want to thank our Coach, Obie Freeman and our Manager, Bobby Mitchell, for the wonderful jobs they did for the Eagles this year. This season has proved to be very good. The Eagles have lost some close games, but they have won some games by a good margin. So now the boys that are graduating wish the Eagles of 57-58 all the luck they need for next season's games, and we are sure they will go all the way.
